

# Horwood and Newton Tracey Community Primary School Newsletter

Friday, 7<sup>th</sup> January 2020

Dear parents, carers and children

It has been lovely to collect, this week, various sporting achievements from the children. There have been swimming events (Harry D), football (Sam A), running competitions (Harry P), Caydence, Bronte and Ashlan's gymnastics club opened the Devon Youth Ability Games, following their success at an International gymnastics event earlier last year. Well done girls! Jake P in Class 2 now plays football for Southampton and his brother, Harry, is on the reserve team.

So many of our children take part in regular sporting activities outside of school and on the reverse of this newsletter are pictures celebrating a few example of this.

To encourage more activity during the week in school, we are going to trial having regular "welly walks" over at the field. Please could every child have a pair of wellies in school so that they can take part. Thank you.

## Class 3 Cake Sale

This is being held on Monday! Please bring cakes (Class 3) and please bring 20p (whole school) to raise money for Class 3 to sponsor a Jaguar through WWF.

## RM Easi Maths

Do you have problems logging onto the activities at home? An information sheet is on the reverse of this newsletter which may help.

## Football Kit

The school has lots of spare football kit. Does anyone know a worthy cause which we could donate it to? Please see Ms Munro if you can help.

## Friends meeting

The next Friends meeting is on Wednesday, 12<sup>th</sup> February at 3.30pm at the school. Please join us if you can. Childcare available.

## Tea @ 3

The children who have kept the golden rules and are invited to Tea @ 3 this week are: Molly (C1), Darcy (C2), Caydence (C3) and Harry H (C4). Well done.

## Requirements

**Adobe® Flash® Player** – In order to view the RM Easimaths activities, you will need Adobe® Flash® Player. If you do not already have it on your computer, you can install it for free from here:

<http://get.adobe.com/flashplayer/>

(It is strongly recommended that you only download Flash Player from the official Adobe® site, though some browsers, such as Google Chrome, already have Adobe® Flash® Player built in.)

**Headphones** will be required or the sound on the computer will need to be unmuted as the activities use audio to provide instruction and assistance. No reading ability is assumed for RM Easimaths; full audio support is given.

As it is a web-based service, RM Easimaths is accessible online using an internet browser that supports Flash.

### RM Easimaths minimum supported browsers:

Browser	Version
