Dear parents, carers and children

I would like to take this opportunity, on the last day of the Spring Term, to just say thank you!

Thank you for being so patient and understanding when we have faced the huge disruptions of Covid this term.

Thank you for coming to our parent/carer consultations to work with us, in partnership, to support your child/ren.

Thank you for helping us with the parking situation and walking up from the Village hall and/or using the walking bus.

Thank you for responding to our family survey so that we can improve the school even more.

And finally, **thank you** for responding so incredibly to all requests - such as baking for our Family Group bake sale.

We so value and appreciate you, your families and your children.

Wishing you a very happy Easter break.
